

### **Zerona Testimonial**

**Recently, I heard about the Zerona fat loss system. I admit I was skeptical thinking "how can a non-invasive procedure reduce the fat in my body?"**

**I am pear shaped and have dieted and exercised my entire adult life. I have always had issues with losing weight especially in my thighs. I signed up for 6 treatments. I followed the recommended guidelines, which was nothing out of the ordinary or difficult. After just 3 sessions, I felt my tight slacks becoming more comfortable in the waist and hips.**

**I completed my 6 Zerona treatments in just 11 days. Remarkably, I had lost a total of 11.6 inches. It was so surprising that my technician actually measured my body twice!**

**Zerona works. You only have to give it a chance to see the fat inches literally melt off of your body.**
